

# MINIATURE TWEEZERS

HIGH  
FINE  
GENERAL

PRECISION

The style 'M-5' has our smallest points and has relieved tips for greater visibility under high magnification. All of the styles shown below are made specifically for working under a microscope.

## STRAIGHT TAPERED MICRO FINE POINTS

| Part#     | Material            | Quality | Critical Tip Measurement (CTM) |              | Length       |
|-----------|---------------------|---------|--------------------------------|--------------|--------------|
| M-5-S     | Stainless Steel     | ★★★     | .004" X .002"                  | .1mm X .05mm | 2.75" (69mm) |
| M-5-SA    | Anti-Mag. Neverust® | ★★★     | .004" X .002"                  | .1mm X .05mm | 3.13" (78mm) |
| M-5-SA-ET | Anti-Mag. Neverust® | ★★★     | .004" X .002"                  | .1mm X .05mm | 3.75" (94mm) |

## STRAIGHT TAPERED VERY FINE POINTS

Length 2.75" (69mm)

| Part# | Material        | Quality | Critical Tip Measurement (CTM) |               |
|-------|-----------------|---------|--------------------------------|---------------|
| M-4-S | Stainless Steel | ★★★     | .005" X .003"                  | .13mm X .08mm |

## STRAIGHT TAPERED FINE POINTS

Length 3.5" (90mm)

| Part#  | Material        | Quality | Critical Tip Measurement (CTM) |               |
|--------|-----------------|---------|--------------------------------|---------------|
| M-4A-S | Stainless Steel | ★★★     | .009" X .006"                  | .24mm X .14mm |

## STRAIGHT FINE POINTS

Length 2.75" (69mm)

| Part# | Material        | Quality | Critical Tip Measurement (CTM) |              |
|-------|-----------------|---------|--------------------------------|--------------|
| M-3-S | Stainless Steel | ★★★     | .007" X .004"                  | .17mm X .1mm |

## STRAIGHT FINE POINTS

Length 3.5" (90mm)

| Part#    | Material            | Quality | Critical Tip Measurement (CTM) |              |
|----------|---------------------|---------|--------------------------------|--------------|
| 0C       | Carbon Steel        | ★★★     | .007" X .004"                  | .17mm X .1mm |
| 0C-SA    | Anti-Mag. Neverust® | ★★★     | .007" X .004"                  | .17mm X .1mm |
| 0C-SA-PI | Anti-Mag. SS        | ★★      |                                |              |
| 0C-SA-SE | Anti-Mag. SS        | ★       |                                |              |
