Bracket Floor Ty

FL-500P, 600P and 640P have reconfigurable internal brackets. 5" and deeper back boxes also have cable "pass-through" capability.

Cover mounting kits allow the Smart-Fit 8" round cover to be installed on a 4" or 6" deep FL-500/540 & 600/640 Floor Box.

If your application is a poured concrete floor and the box rests on soil, rock or gravel, you must first install the Pour Pan.

A temporary cover is included and protects the floor boxes interior during installation. Order your finished cover separately.

(*) These boxes are designed for the new UL safety standard for scrub water. The standard only applies to boxes installed in concrete, not raised access boxes.

RAISED ACCESS

RFL-QAV-BLK

FIRE RATED

SmartFit Series

Designed for use in fire-rated floors, these sturdy core hole products are available in 4", 6", 8" and 10" diameters. All models offer flexibility via mounting bracketry to accommodate a wide assortment of power, data and audio video connection options. A complete line of sub-plates for device mounting and connectors is available. Available cover finishes:

- Brushed Aluminum
- Brushed Brass

The cover technology exceeds UL scrub water testing requirements. Individual spec sheets and drawings available on the FSR website.

One piece all welded design providing both strength and ease of installation. Cover is painted with Sandtex for a non-skid finish, available in black or oak.

RESIDENTIAL

SmartFit[™] (Poke-Thru)

It's Not Just Power Anymore

FSR SmartFit is an innovative system that provides flexible power and AV solutions for fire rated Poke-Thrus'. The SmartFit system features a universal cover assembly and multiple sub-plates that install in the fire rated Poke-Thrus' and are now available in 4", 6", 8" and 10" sizes.

The system offers three architectural finishes: Aluminum, Brass, and Black, providing an attractive appearance with superior durability.

With the SmartFit system, FSR delivers one consistent look for installations with power and audio/video requirements. There are sub-plates available in the SmartFit line, including a Dual Decora and 3-IPS-insert sub-plate.

HEAVY-LOAD

The FLH20 Heavy-Load Capacity Floor Box combines rugged construction and elegant design for carpeted and non-carpeted floors.

Perfect for Hotels, Ballrooms, Stages, Convention Centers, Museums, Warehouses, Showrooms, and Lobbies.

Compartment Dividers: Remove or arrange as needed to isolate compartments.

Center Dividers: Remove to run cables across compartments.

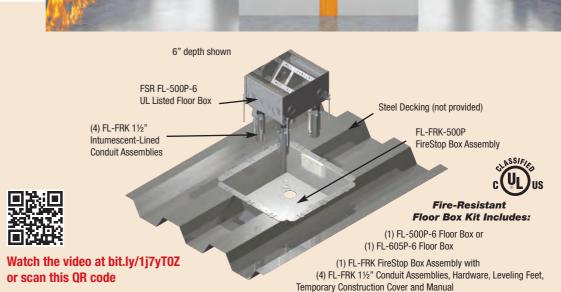

Field Configurable Interior

FIRE-RATED

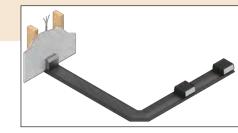

The Fire-Resistant Kit is offered in two sizes: the FL-500P-6-FRK and FL-605P-6-FRK. Both models include a UL listed 3-hour Fire-Resistant Floor Box system comprised of a FireStop box, and four FL-FRK 1½" Intumescent-lined Conduit Assemblies, hardware and installation instructions. A temporary construction cover is included to protect the floor box interior during installation. Order your finished cover separately.

SMART-WAY RACEWAY SYSTEM

The Smart-Way On-Floor Raceway System is the intelligent choice for wire management. It installs on top of any flooring and provides a quick, easy, affordable and attractive installation. The Smart-Way On-Floor Raceway gets cables where they're needed. The raceway is perfect for collaborative environments or classrooms. The raceway compartments provide ample space for power, communications and A/V connectivity. The Smart-Way is only 0.6" high, ADA compliant, available in slate gray or aluminum finishes and is sold in 6' sections.

INTELLIGENT PLATE SOLUTIONS

The IPS family of interconnect solutions offers a comprehensive selection of accessories, available in white or black. Simply select a plate that fits your application and available space. Then select your internal connector plate. IPS Plates come with a lifetime warranty. We offer FREE standard labeling. Visit our web site and drag and drop your solutions with IPS Designer.

COVER FINISHES

Elegant hand-mitered edging on covers blend with any decor or color combination. For use with virtually all choices of floor covering.

Available in brass, aluminum or painted edging to compliment floor covering.

See a larger view at bit.ly/1aKZzT6 or scan this QR Code

The new U-Access cover design features a handle to easily lift the cover. All corner fasteners have been removed.
