## IPAD MOUNTS & CHARGERS

The iPad® wall mount is designed for strength, practicality, and fits many versions of the iPad leaving no visible hardware. We use tamper resistant hardware for security, symmetrical hole patterns provide rapid mounting in portrait or landscape mode. Attractive openings for cable egress are provided. Standard colors are silver and black. As an added value we will print a client logo on the front FREE with orders of 10 pieces or more.

**The Perfect PoE/USB Charger**  
You can power and charge the iPad from a PoE-Ethernet drop without the need for AC line power. Mount this small cube in a 2-gang wall box behind the FSR iPad wall mount. The PoE / USB charger will operate and charge the iPad supporting Apple®'s charging standard. The PoE / USB Charger will also notify the iPad that it is connected to a charger avoiding annoying pop-ups.

**DC Powered USB Chargers**  
Our DC Powered USB chargers for your smart devices come in a variety of form factors to meet your requirements. The chargers incorporate the necessary firmware to communicate with your device and provide it the correct charging wattage, up to a full 12 watts. All models come complete with a universal power supply.

## MANUFACTURER MOUNTING SOLUTIONS

MMS-FL-500/540P-4    CRESTRON PWB-273-CRST-DM-xxx    TB-BOSE-IPS

FSR has developed a line new line of mounting solutions for specific manufacturers. Wall, table and floor floor box solutions work with a variety of Crestron, SVSI, AMX, and Bose products.

## INTELLIGENT PLATE SOLUTIONS

The IPS family of interconnect solutions offers a comprehensive selection of accessories, available in white, ivory or black. Simply select a plate that fits your application and available space. Then select your internal connector plate. IPS Plates come with a lifetime warranty. We offer FREE standard labeling. Visit our web site and drag and drop your solutions with IPS Designer.

All FSR Table, Floor, Wall and Ceiling Box CAD drawings are available on our website. For assistance in selecting the proper box to hold your power, data voice, video, etc., please call us at 1-800-332-FSR1 (3771).

## GLOBAL AT-A-GLANCE

Audio, Video, Signal Management and Infrastructure Technologies

Boxes Done Right

## FLOOR BOXES

### Bringing Elegant Cable Access To Your Infrastructure.

A unique variety of boxes to handle stage, raised access, poured concrete or retro-fit flooring applications. FSR matches the décor of your installation with solid construction, beautiful carpet rims, flanges, and available accessories.

Our Fire-Resistant floor solutions expand the versatility of our floor box line by providing enhanced, fire-resistant versions of our existing products. Our FRK kits are UL listed and comply with UL 263 Fire Resistance Ratings.

**FIRE RATED**

## WALL BOXES

### Protect and Secure your Infrastructure Connections

Indoor and outdoor wall boxes protect your wall plates, panels and connections elegantly and securely.

The PWB-FR-450 is the industry's only fire-rated box of this size. Every wall mounted display needs a PWB!

## TABLE CONNECTIVITY

A wide variety of table boxes that are unique and upscale, meeting the aesthetic demands of today's consultants, architects and clients. Brass, black, aluminum and nickel finishes, a variety of sizes, shapes, and accessories are available from stock.

The Harmony Collection of table boxes provide a powerful and affordable solution for any installation. The versatile connector cavities are 100% configurable and allow for both high and low voltage. Whether you select a round or square cover, the mounting is always a 6" diameter round hole. The Harmony Collection is available in black, white, or a silver matte finish.

### Wireless Charger

The TC-WC1 fuses a refined minimalism with wireless charging technology. It is easy to install, giving you charging capabilities at your fingertips. The wireless charger is available in black or white with an aluminum bezel.

S3 & S4 models only

Pick from the T6-LB-UN, T6-LB-4SS, T6-LB-5SS and T6-HLB brackets.

## CONCERTTO CABLE MANAGEMENT

**CONCERTTO**  
This system provides clean, elegant cable management in table designs that lack a pedestal for hiding cables and power as they transition from the table boxes to the floor.

**CONCERTTO Under-Table Rack**  
Under-table Rack shelving mounts multiple pieces of AV, Digital, or Data equipment to the underside of tables with easy access.

## CEILING BOXES

Now you can remove the unsightly equipment boxes hanging off projector poles and mount them in this architecturally-designed ceiling enclosure. Many styles, various price ranges, and "Smart and Green" modules make these boxes perfect for classrooms, boardrooms, meeting rooms and public spaces. These are your equipment racks for ceilings and walls.
