T6 Black / Aluminum

Shown with round cover and IPS Plates.

T6 Brass

Shown with square cover and IPS Plates.

T6 Aluminum

Shown with round cover and Brush inserts.

DESCRIPTION

The T6 Table Box cavities are 100% configurable for all your high and low voltage needs.

Low voltage connectivity options include retractors, gravity feed cable pulls, and our IPS and Simple Solutions pass-thru type connectors.

Features of this elegant addition to your conference table include: a multi-tiered, plate-stacking arrangement and overall depth adjustment; the cover can be closed while in use with cables exiting through the milled openings, your choice of AC power cords or hardwired versions, round or square covers, and finishes include black anodized, clear anodized aluminum or brushed brass. Covers with brush seals to protect against dust and debris are available (see image above).

Mounting is a snap! Whether you select a round or square cover, the mounting is always a 6" diameter round hole.

The T6 can be ordered in a variety of configurations. Use the chart on the back of this sheet to simplify the ordering process.

APPLICATIONS

- Desks
- Lecterns
- Lab Tables
- Huddle Areas
- Boardroom Tables
- Control Consoles
- Classrooms
- Collaboration Areas

FEATURES

- Round or Square Covers
- Easy décor blending with choice of Black, Aluminum or Brushed Brass Cover
- Can be mounted in a wide variety of tables with thicknesses ranging from .75" to 2.25".
- Connector plates can be populated to match the application and customer needs
- Can be reconfigured at any time as requirements change.
- Deep interior compartment accommodates longer/larger connector shells.
- Covers with cable entry brush seal option available

COLLABORATION SOLUTIONS

These table boxes can be easily integrated with FSR's line of HuddleVU collaboration systems and furniture solutions. They can also be easily controlled via our FLEX Control Systems.

OTHER MODELS

See LIT1434A for FSR's full line of T6 style Table Boxes with integrated FLEX touch panel control systems.
