

Retractor shown with CT6 Table Box

LP-TBRT Low Profile Retractor

TBRT Retractor

Four retractor assembly

Sample illustration of configuration with Table Boxes. Boxes sold separately.

**DESCRIPTION**

FSR's Cable Retractors balance form and function, making tangle-free cable management an easy task. This cable management system offers convenience as well as cable storage and protection, hiding unsightly cables when not in use. The cables can be quickly deployed by the user and extend to any length, up to four or six feet (model dependent, see features.) A simple pull and release of the extended cable is all that is needed to return the cable to the protective reel. No button release is required.

The TBRT assemblies can be ordered in HDMI (4 color coded cables available for integration with HuddleVU kits), HD-15 (VGA) with fixed 1/8" stereo audio jack, CAT-6, 1/8" Stereo Audio, DisplayPort ++, Mini DisplayPort and USB. All cables are of highest quality and are tested for longevity. Retractor life is greater than 8,000 cycles. When used with the FSR T3-IPS, CT6, RT6 Table Box, the adapter kits allow mounting of up to four cable retractor assemblies inside the CT6, or RT6 Table Box and one retractor in the T3 Table Box.

The Cable Retractors can also be mounted in a horizontal position under a table surface to maximize space and provide clearance for seating.

**APPLICATIONS**

- Court Rooms
- Desks
- Boardroom Tables
- Lecterns
- Control Consoles
- Lab Tables
- Classrooms

**FEATURES**

- Easy user access
- 4' of cable plays out from the top of the TBRT retractor (6' on LP-TBRT)
- 7' of cable exits from the rear of the TBRT retractor under the table (5' on LP-TBRT). (See Ordering Table note \*\* on back for exceptions)
- Theft deterrent
- Choice of connector types and color coded to match HuddleVU systems
- Easy stackable mounting
- Ready for use in FSR's CT6, RT6, and T3-IPS Table boxes
- Retractor life greater than 8,000 cycles

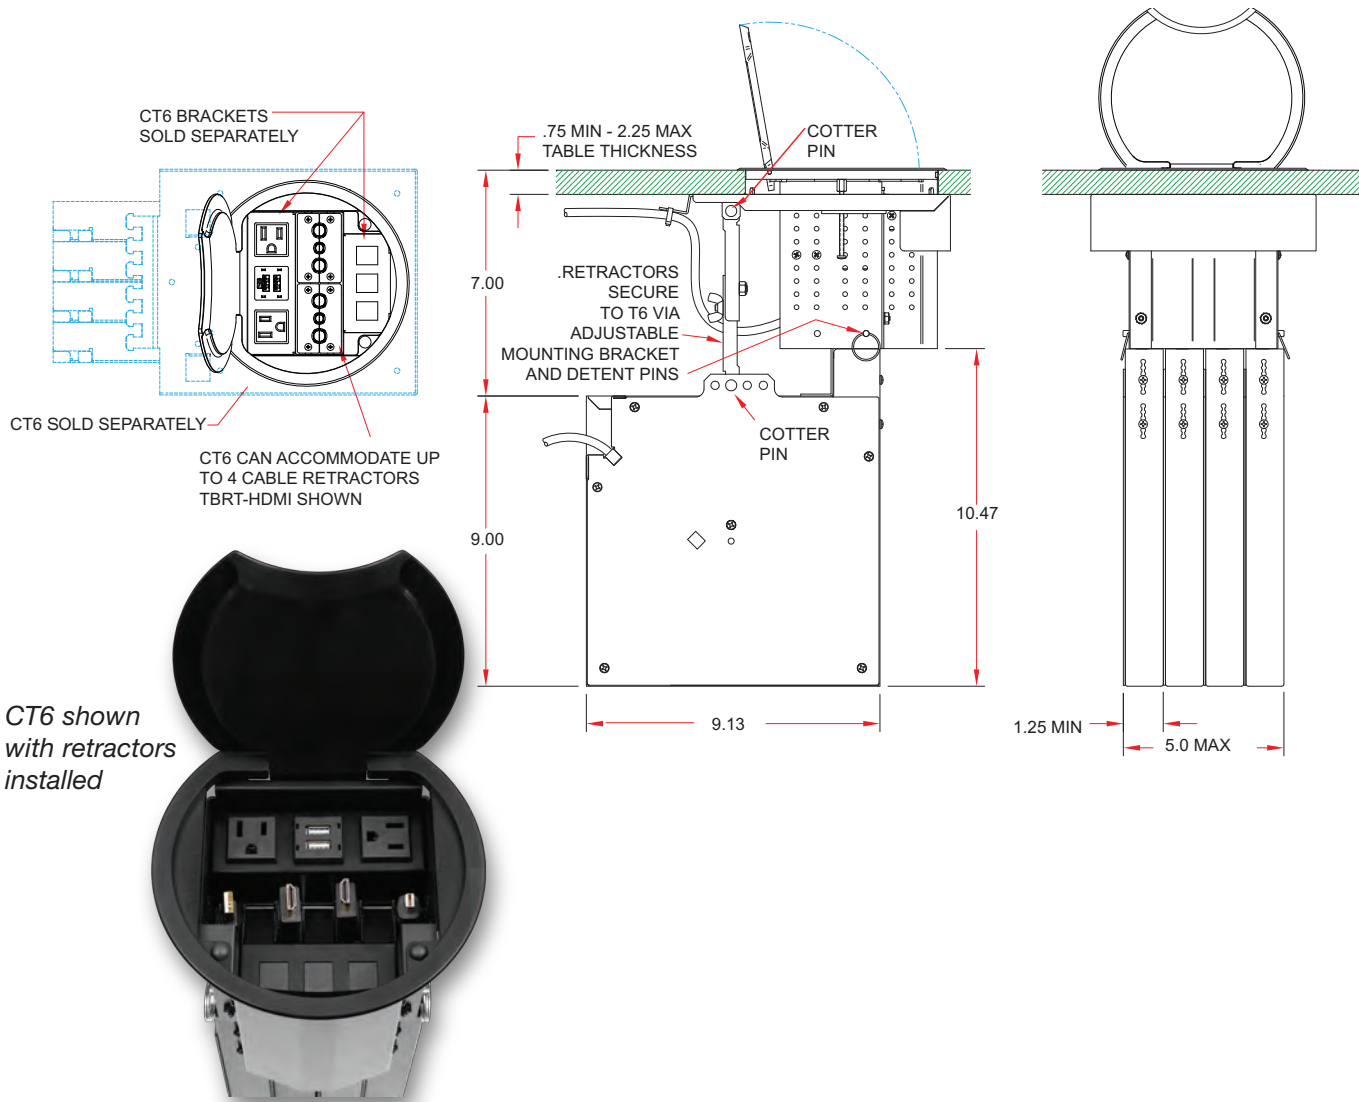

This symbol indicates the device is **Ready RETRACTOR** and accepts the number of retractors shown in the circle. \*Retractor Mounts sold separately.
