FSR Works For You

# FLOOR BOXES

## Bringing Elegant Cable Access To Your Infrastructure.

A unique variety of boxes to handle stage, raised access, poured concrete or retro-fit flooring applications. FSR matches the décor of your installation with solid construction, beautiful carpet rims, flanges, and available accessories.

Our Fire-Resistant floor solutions expand the versatility of our floor box line by providing enhanced, fire-resistant versions of our existing products. Our FRK kits are UL listed and comply with UL 263 Fire Resistance Ratings.

**FIRE RATED**

# SMART-WAY RACEWAY

## The Intelligent Choice

The Smart-Way Raceway System is the intelligent choice for wire management.

It installs on top of or in any flooring and provides a quick, easy, affordable and attractive installation.

The Smart-Way Raceway gets cables where they're needed. The raceway is perfect for collaborative environments or classrooms.

The raceway compartments provide ample space for power, communications and A/V connectivity.

The Smart-Way is only 0.6" high, ADA compliant, available in slate gray or aluminum finishes and is sold in 6' sections.

# WALL BOXES

## Protect and Secure your Infrastructure Connections

Indoor and outdoor wall boxes protect your wall plates, panels and connections elegantly and securely.

The PWB-FR-450 is the industry's only fire-rated box of this size. Every wall mounted display needs a PWB!

OWB-500P

PWB-HVBX is "Retractor Ready" allowing users easy access to AV cables and AC power.

# HUDDLEVU KITS

From a single computer, to a full classroom or multi-media boardroom, HuddleVU Kits will distribute and process with cost-effective quality.

FSR takes the work out of designing collaboration systems. Now with the prepackaged systems integrators can choose the appropriate kit to fit their customers needs. The kits range from two to four users and include a CT6 table box, a switcher and all the necessary cables. Each kit can be upgraded with optional cable retractors or with FSR's HuddleVU Air wireless presentation switcher.

# CEILING BOXES

Now you can remove the unsightly equipment boxes hanging off projector poles and mount them in this architecturally-designed ceiling enclosure. Many styles, various price ranges, and "Smart and Green" modules make these boxes perfect for classrooms, boardrooms, meeting rooms and public spaces. These are your equipment racks for ceilings and walls.

FSR is now stocking **West Penn HDBaseT Certified Category 6A Plenum Cable Assemblies** in pre-terminated lengths from 50' to 330' (15 meter to 100 Meter). These are plenum rated cables that come in specific lengths with the shielded connectors already attached and will work with all of our FSR HDBaseT™ Products.

# CONCERTTO CABLE MANAGEMENT

## CONCERTTO

This system provides clean, elegant cable management in table designs that lack a pedestal for hiding cables and power as they transition from the tables boxes to the floor.

## CONCERTTO Under-Table Rack

Under-table Rack shelving mounts multiple pieces of AV, Digital, or Data equipment to the underside of tables with easy access.

## BLOCK & SLIDE

The Block and Slide provide a simple, economical and elegant way to route cabling from the underside of the work surface to the floor. Both models feature easy installation and add an aesthetically appealing appearance under any workspace.

# CHARGING STATIONS

## Wireless Charger

The TC-WC1 fuses a refined minimalism with wireless charging technology. It is easy to install, giving you charging capabilities at your fingertips. The wireless charger is available in black or white with an aluminum bezel.

## SYMPHONY Pedestal

This floor standing unit gives you AC power, USB charging, snap-ins, cable pass-through and any other type of connectivity that you may require. Perfect for under a desk or waiting area applications. Available in black or white.

# ROOM CONTROL & COMBINING

**FSR makes room control user friendly and cost effective!**
