FSR Works For You

FLOOR BOXES

Bringing Elegant Cable Access To Your Infrastructure.

A unique variety of boxes to handle stage, raised access, poured concrete or retro-fit flooring applications. FSR matches the décor of your installation with solid construction, beautiful carpet rims, flanges, and available accessories.

Our Fire-Resistant floor solutions expand the versatility of our floor box line by providing enhanced, fire-resistant versions of our existing products. Our FRK kits are UL listed and comply with UL 263 Fire Resistance Ratings.

FIRE RATED

WALL BOXES

Protect and Secure your Infrastructure Connections

Indoor and outdoor wall boxes protect your wall plates, panels and connections elegantly and securely.

CEILING BOXES

Now you can remove the unsightly equipment boxes hanging off projector poles and mount them in this architecturally-designed ceiling enclosure. Many styles, various price ranges, and "Smart and Green" modules make these boxes perfect for classrooms, boardrooms, meeting rooms and public spaces. These are your equipment racks for ceilings and walls.

TABLE CONNECTIVITY

A wide variety of table boxes that are unique and upscale, meeting the aesthetic demands of today's consultants, architects and clients. Brass, black, aluminum and nickel finishes, a variety of sizes, shapes, and accessories are available from stock.

The Harmony Collection

The Harmony Collection of table boxes provide a powerful and affordable solution for any installation. The versatile connector cavities are 100% configurable and allow for both high and low voltage.

Whether you select a round or square cover, the mounting is always a 6" diameter round hole. The Harmony Collection is available in black, white, or a silver matte finish.

Wireless Charger

The TC-WC1 fuses a refined minimalism with wireless charging technology. It is easy to install, giving you charging capabilities at your fingertips. The wireless charger is available in black or white with an aluminum bezel.

The Unity Collection

The Unity Collection of table boxes provide the ultimate connectivity and functionality. Designed with hideaway doors for ease of access to the insert brackets and cable retractors makes connectivity effortless.

Internal Brackets

The various internal brackets available are designed to contain AC, USB Chargers, Cable Pulls, Cable Retractors, Snap-In Keystone Connectors, or IPS Solutions. Our T6 Table Box insert brackets and Cable Retractors are available for our new CT6 Table Box Series.

S3 & S4 models only

Pick from the T6-LB-UN, T6-LB-4SS, T6-LB-5SS and T6-HLB brackets.

SMART-WAY RACEWAY

The Smart-Way is one raceway with dual purpose being able to go in-floor and on-floor with the provided edging. The in-floor edging allows you to install the raceway in any flooring .21"- .38" (carpet, wood, tile, laminate). Each raceway will be shipped with two pairs of edging, allowing it to go either on- (for vinyl, carpet, wood) or in-floor (for carpet, wood, tile, laminate), without purchasing additional parts.

Smart-Way device boxes offer the versatility of power and/or data in a stylish multi-color finish. A new added feature to our device boxes is the ability to install a 45mm universal socket in the housing. We offer three different international device box options that can be used with our dual or single 45mm device plate.

CONCERTTO CABLE MANAGEMENT

CONCERTTO

This system provides clean, elegant cable management in table designs that lack a pedestal for hiding cables and power as they transition from the tables boxes to the floor.

CONCERTTO Under-Table Rack

Under-Table Rack shelving mounts multiple pieces of AV, Digital, or Data equipment to the underside of tables with easy access..

Block and Slide

The Block and Slide provide a simple, economical and elegant way to rout cabling from the underside of your work surface to the floor. Both models feature easy installation and add an aesthetically appealing appearance under any workspace. Manage your cables in-style with the Block and Slide.

Under-Table Rack

Block and Slide

NEXT GENERATION DIGITAL RIBBON CABLES

The Next Generation Digital Ribbon Cables utilize a proprietary technology to allow high speed and high definition HDMI® signal transmission over distances of up to 328 ft. The cable is fitted with a discreet black jacket that allows the cable to seamlessly blend in after installation. These Next Generation cables are Plenum Rated and can easily handle up to 4k 60Hz 4:4:4 HDR uncompressed HDMI® video. Giving you protection and high quality packaged together.

INTELLIGENT PLATE SOLUTIONS

The IPS family of interconnect solutions offers a comprehensive selection of accessories, available in white or black. Simply select a plate that fits your application and available space. Then select your internal connector plate. IPS Plates come with a lifetime warranty. We offer FREE standard labeling. Visit our web site and drag and drop your solutions with IPS Designer.

All FSR Table, Floor, Wall and Ceiling Box CAD drawings are available on our website. For assistance in selecting the proper box to hold your power, data voice, video, etc., please call us at 1-800-332-FSR1 (3771).
