

# Infrastructure...from the ground up

## Floor Boxes

FLOORS - A unique variety of boxes to handle stage, raised access, poured concrete or retro-fit flooring applications. FSR matches the décor of your installation with solid construction, beautiful carpet rims, flanges, and available accessories.

## Fire-Resistant Boxes

Our Fire-Resistant floor solutions expand the versatility of our floor box line by providing enhanced, fire-resistant versions of our existing products. Our FRK kits are UL listed and comply with UL 263 Fire Resistance Ratings.

## Ceiling Boxes & Wall Enclosures

Now you can remove the unsightly equipment boxes hanging off projector poles and mount them in this architecturally-designed ceiling enclosure. Many styles, various price ranges, and "Smart and Green" modules make these boxes perfect for classrooms, boardrooms, meeting rooms and public spaces. These are your equipment racks for ceilings and walls.

## SmartFit (Poke-Thru)

**"It's Not Just Power Anymore!"**

FSR SmartFit is an innovative system that provides flexible AV solutions for fire rated "poke-thrus". The SmartFit system features a universal cover assembly and multiple sub-plates that install on the fire rated "poke-thrus".

NOW AVAILABLE IN 4", 6" & 8" SIZES.

## Table & Wall Boxes

TABLES - A wide variety of table boxes that are unique and upscale, meeting the aesthetic demands of today's consultants, architects and clients. Brass, black, bronze and nickel finishes, a variety of sizes, shapes, and accessories are available from stock.

WALLS - Connections on the wall become safe, simple and secure using an FSR wallbox.

## Wall Mounts & Charges for iPad® Mobile Digital Devices

Surface Mount Flush Mount Table Mounts

The IPD Wall Mounts are designed for strength, practicality and elegance, and fit the iPad® 2, the iPad® Mini and the new iPad®. There is no visible hardware. Standard colors are silver and black. As an added value we will print a client logo on the front, FREE with orders of 10 pieces or more.

### The Perfect PoE / USB Charger

You can power and charge the iPad from a PoE-Ethernet drop without the need for AC line power. Mount this small cube in a 2-gang wall box behind the FSR IPD wall mount. The PoE / USB Charger will also notify the iPad that it is connected to a charger avoiding annoying pop-ups.

**NEW**

FSR is now stocking **West Penn HDBaseT Certified Category 6A Plenum Cable Assemblies** in pre-terminated lengths from 50' to 330' (15 meter to 100 Meter). These are plenum rated cables that come in specific lengths with the shielded connectors already attached and will work with all of our FSR HDBaseT Products.

# HuddleVU Collaboration Systems

From a single computer, to a full classroom or multi-media boardroom, FSR will distribute and process with cost-effective quality.

Collaboration, Interactive Learning or Huddle Stations! Whatever name you give it, students, doctors, or business professionals gather to work together on projects, perform research and review completed works. HuddleVU is the perfect solution.

HuddleVU offers several different systems to meet your requirements, and provides workspace and connections for up to 7 students or faculty members. There are AC and USB power connections and color coded HDMI cables for each user. Simply plug in and push the color coded button and the user's notebook or tablet has control of the screen. Systems are also available for 2 or 4 screens using the T6-Flex touch screen control system.

## HuddleVU Furniture

Check out our new line of Collaborative Tables.

You can install it in your table, go to your favorite furniture manufacturer, or order a table from FSR. We stock several tables for a quick delivery, but you can also select any color table from the Wilson Art laminates.

Laminates by **Wilsonart**

This symbol indicates the device is **RETRACTOR Ready**

and accepts the number of retractors shown in the circle.

# Room Control Systems
