T3-4SS
Keystone Table Box

FSR
Metal Products Group

DESCRIPTION

These stylish table boxes fit a 3 1/2" round opening and are easily installed using a standard hole saw. The small footprint provides an unobtrusive complement to any décor. The T3-4SS can be installed in tables 3/4" to 2 1/2" thick.

The keystone areas can be populated with a variety of connectors including network, telephone, RCA or mini stereo audio, push buttons and much more to suit unlimited applications. Four blank filler snap-in's are included as shown and alternate style snap in keystone connectors (shown below) are available separately.
