T6-LB-5SS

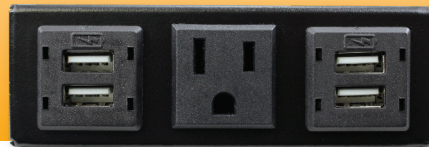

T6-LB-AC2CH

T6-LB-AC3RR

T6-LB-CP

T6-LB-AC1CH

T6-LB-UN

DESCRIPTION

The T6-LB brackets are AC outlet brackets and connector plates that will mount in FSR's T6 Table boxes, RT6 Table Boxes and TM Mounts. There are a variety of connector styles to choose from and the units can be easily installed to suit a particular project need. USB chargers are offered in select models as well as multiple AC power outlets, cable pull style plates, Intelligent Plate Solutions (IPS) and Simple Solutions (SS) openings for snap in connector simplicity.

FEATURES

- Can be mounted in a wide variety of tables
- Connector plates are available to match the specific application and customer needs
- Can be reconfigured at any time as requirements change
- T6-LB Brackets with AC outlets are available in black or white finish
- Large selection of boxes and mounts available (See back page)

The **RT6-HLB-4MOM** bracket provides 4 lighted momentary switches so these boxes can be used to activate control systems or can be integrated with FSR's HuddleVU line of collaboration solutions. A half blank is provided with each insert.

LARGE SECTION BRACKETS

T6-LB-AC1CH (-W)*
1 AC outlet and 4 USB charging ports

T6-LB-AC2CH (-W)*
2 AC outlets and 2 USB charging ports

T6-LB-AC2U1 (-W)*
2 AC outlets with 1 additional rear AC outlet
