

## Super Wide Displays 16:5 Aspect Ratio

Whenever traditional aspect ratios such as 4:3 or 16:9 won't work, GVision's Super Wide displays with their unique shape and size will!

Energy efficient and featuring ultra-bright LED backlights, you can be sure your message will be seen in any environment.

The displays can be mounted either in portrait or landscape modes using standard VESA mounting options.

### Features:

- Multi language OSD
- Portrait & Landscape Supported
- HDMI 1.2 (480i ~1080p); DVI Compliant
- Video Setting (Custom, Standard, Vivid)
- Smart Display Position (Zoom Mode) Top/Middle/Bottom
- Support Remote Control Function by RS232
- Analog & Digital Interface for Plug and Play Convenience
- Wall Mounting Interface
- Support VESA DPMS Power Saving

| Specifications          |   |                              |
|-------------------------|---|------------------------------|
| Model                   | 28.9" Model (S29AF-OB-400G)               | 38" Model (S38AF-OB-400G)    |
| Dimension Outline (in.) | 28.9 (W) x 10.11 (H) x .86 (D)            | 38 (W) x 11.73 (H) x .94 (D) |
| Active Area (in.)       | 27.5 (W) x 8.4 (H)                        | 36.62 (W) x 10.29 (H)        |
| Resolution              | 1920 x 540                                |                              |
| Display Colors          | 8-Bit - 16.7M                             |                              |
| Brightness (cd/m2)      | 700 / 1000                                | 550                          |
| Contrast Ratio          | 3000:1                                    |                              |
| Technology              | TFT Active Matrix w/ Super MVA technology |                              |
| Aspect Ratio            | 16:5                                      | 16:4.5                       |
| View Angle              | 178 (H)(V)                                | 176 (H)(V)                   |
| Back Light Type         | LED                                       |                              |
| Power Consumption       | < 60                                      | < 120                        |
| Weight (lbs)            | 6.8                                       | 17.85                        |
