

10" Touch Screen Monitor P10 Series

GVision's P10PS is a 10" touch screen display designed specifically for use in rugged and harsh point-of-sale (POS) environments where space is at a premium. The P10PS is an ideal solution for customer facing applications where user input is required or when you need multi-media capabilities. The display can easily be mounted on a wall, base, or articulated arm using the included VESA mounting options.

Features:

- Multiple mounting options
- Resistive Touch Technology
- Spill & Dust Resistant
- Integrated speakers

Specifications
