Simple, Fun, Smart + Layered

Multifunctional. When the board is removed, the bases become an additional whiteboard surface with a utensil tray built-in.

Collaboration at its best. The removable board can be easily transported for use in group settings. Who says a whiteboard has to be stationary?

Intentionally designed with a 5° angle off the wall, LINK Boards are the only ergonomically designed personal whiteboards in the world.

LINK BOARD

Personal spaces need personality. The LINK Board was designed to add color, productivity, and mobility to modern workspaces.

LINK Boards are inherently magnetic, ergonomically designed, and mobile. Use not only as a writing surface, but as a place to post thoughts, collaborate, and inspire.

The LINK Board features a premium dry-erase powder coat finish on a beautifully formed steel surface for an incredible user experience.

Take advantage of this one-of-a-kind communication tool and make your personal space, personal.
