ghent.

Materials:

- LINK Board is a two part system consisting of a Base and a Face.
- Base and Face are made of 20ga. sheet steel.
- Base and Face are finished with a dry eraseable powder coating.

Base Features:

- Base features a 5° ergonomic angle to make for a stress free writing surface.
- Slotted mounting holes for easy installation.
- Durable dry eraseable writing surface.
- Available in two colors: Light Blue and Light Green

Face Features:

- Light weight for easy portability.
- Face features a 5° bend for grasping on flat surfaces.
- Magnetic back for secure nesting into the Base.
- Available in three colors: Bright Blue, White, and Gray

Available in two sizes:

24-1/2"H x 18"W
24-1/2"H x 30"W
