"Very pleased with this unit and quality! It integrated seamlessly with our system and the operation and picture quality rivals even a $4000 camera from another manufacturer. We will definitely be looking at more of this model or it's relatives for future projects!" –**AV/Media Manager from Clarion, PA**

ARIZONA HOSPITAL "a joy to work with. They were patient with all my questions and Patrick helped me via chat (which I prefer) to narrow down my choice to two different cameras. We then set up a video conference to see the difference between the two. It was very helpful. -Rodney Baker**
