

Powered EMR Hybrid Cart with keyboard/mouse tray

Optimized for Thin Client Tablets

HCC201

Powered EMR Hybrid Cart is a TAA-compliant cart optimized for use with iPad, Android and Windows embedded tablets. The HCC201 also provides the added convenience of a height adjustable, back tilting keyboard and mouse tray. In addition to being the industry's lightest weight user-configurable powered cart¹, it also delivers up to 24 hours of use on a single charge², virtually eliminating the need to recharge during caregiver shifts. The PeerCare™ Modular Power System, Desktop Charger³ and Power Packs, provide further flexibility by allowing quick and easy Power Pack hot-swapping; delivering uninterrupted powered use. All models are treated with an Agion® antimicrobial finish which assists in controlling the spread of infections within healthcare institutions.

1 When PeerCare™ Modular Power System, Power Pack is used

2 Actual battery performance may vary based on wireless connectivity, application usage, brightness settings and other factors.

3 Not included with the cart (separate purchase). We recommend that at least one (1) PeerCare™ Modular Power System, Desktop Charger and three (3) additional Power Packs are purchased per every three (3) carts.

1. ANTIMICROBIAL FINISH

Work surfaces treated with Agion® antimicrobial finish to help prevent the spread of infectious diseases

2. FULLY ADJUSTABLE

Ergonomic back-tilting keyboard tray with left or right hand mouse tray

3. FLEXIBLE VIEWING

Work surface has 20" (508mm) of sit-to-stand height adjustment

4. EASY-TO-MANEUVER

Lightweight and durable construction equipped with 4" locking castors

Tablet and keyboard not included.

Treated with Agion® brand antimicrobial to inhibit the growth of bacteria, mold and fungus on the surface of products.

agion®
Nature's antimicrobial

The integrated PeerCare™ Modular Power System with 3 Power Packs provides up to 24 hours of usage

Add the PeerCare™ Modular Power System, Desktop Charger (HCACC302 shown)

Features

- TAA Compliant - Manufactured in North America to precise standards
- Industry first EMR cart optimized for thin client tablets such as the iPad®
- Lightest weight user configurable powered cart in the market
- Offers the longest battery life, estimated at 24+ hours when used with a thin client tablet and the PeerCare™ Modular Power System²
- Eliminate downtime with the optional HCACC301 PeerCare™ Modular Power System, Desktop Charger that offers the best-in-class battery management enabling hot swapping of drained Power Packs with freshly charged. Collaboratively designed with industry leader Belkin®
- Agion® antimicrobial* finish assists in controlling the spread of infectious diseases
