HellermannTyton

Specification Sheet

Part Number: 556-00206

Ribbons are resin based for the best print durability.

Ribbons are available to fit all HellermannTyton printers for easy resupply.

Ribbons are available in colors for maximizing design printing capabilities.

Ribbons meet UL recognition and Military standard where applicable to meet specific industry label requirements.

Thermal Transfer Ribbon, 2.24" x 242', 0.5" Core, 822 Resin, Black, 1/pkg

Type TT822OUTSM-2

Color Black (BK)

Quantity Per EA

Product Description HellermannTyton thermal transfer ribbons are designed for use in

HellermannTyton thermal transfer printers. Available on 1/2" and 1" cores, the ribbons are coated side out and available in two different lengths. All ribbons are available in a variety of colors and are matched to the HellermannTyton label stock to give the best chemical and

abrasion resistance.
