

## **Specification Sheet**

Part Number: 156-01546

Low-profile clip attaches easily to plastic and metal edges as thin as 0.5 mm and up to 2.5 mm without the need for a mounting hole.

Two designs allow bundles to be secured parallel or vertical to surface edges.

Provides low insertion force and high extraction force – ideal for assembly environments.

Two-piece assembly allows the mount to slide along the strap, ensuring proper orientation.

Cable tie is outside serrated to reduce bundle chafing.

Article Number 156-01546

Type T30ROSEC0.5-2.5SP-SVB

Color Black (BK)

Quantity Per bag

Product Description

HellermannTyton's Two Piece Edge Clip with Cable Tie Assemblies are designed specifically to route bundles by securing them to the edge of a plastic or metal sheet without the need for a mountining hole. The clip is easy to secure and the extraction force is high due to the integrated metal clamp that holds the edge clip in place.

| Short Description                   | Cable Tie/Edge Clip, 5.7"L, 0.5–2.5 mm Panel, Perpendicular, 30lb, PA66HS/PA66HIRHS, BK, 500/pkg |  |  |
|-------------------------------------|--|--|--|
