

Specification Sheet

Part Number: 181-00228

Narrow fingers reduce fanning of the wires to the terminal blocks, presenting a neater appearance.

Each finger is provided with a double restriction to hold wires in the bottom portion of the duct, allowing for easier installation.

Mounting holes are uniform in size and are offered every 2 inches to accommodate compact designs and ease installation.

Optional covers snap on and off easily, and are provided with a non-slip lining that insures the covers remain in place during vibration.
