IDEAL® PRO SERIES CAMO POUCHES

IDEAL® Pro Series Camo zipper pouches are a convenient storage solution for electrical tools, connectors and supplies. These pouches feature a reflective strip for high visibility and labeling. The light colored lining allows for easy identification of contents. Grommets are included on all the pouches for hanging or using with carabiner. They are available in Arctic, Gray Digital, Green Digital or Wooded Camo.

37-060 Camo Flat Zipper Pouch Set (4-Pack)
