

# BIGTOUCH DOES MORE AT A NEW LOW PRICE

Now through September 30th, turn your giant touchscreen PC into a powerful interactive whiteboard with video conferencing

Buy a 57-inch or 70-inch BigTouch at a new low price and get BigNote and BigConnect free.

INF5711 - 57" now just \$3,799 USD  
INF7011 - 70" now just \$7,799 USD

## Purchase BigTouch:

- Windows 8 Pro on a 1080p touch display
- Compatible with Windows 10
- Run all your Windows apps, even the older ones, in touch mode
- Highly customizable for your needs and PC applications
- Intel Core i7 processor with a fast solid state hard drive
- Wireless mouse and keyboard included

## And get:

### BigNote (INS-BIGNOTE)

Take notes, sketch, annotate, save and share your work.

- Whiteboard canvas can be extended 10x in any direction
- Glass Mode to annotate over any Windows desktop app

### BigConnect (INS-BCONNECT)

Make clear, crisp high-definition video calls to and from other SIP endpoints.

Requires additional camera and microphone.

- Free InFocus 121 Video Calling service for first year
- Share video and data at the same time

To create a true HD video meeting experience, add:

- InFocus Thunder Speakerphone (INA-TH150) and RealCam PTZ Camera (INA-PTZ-3)
- InFocus Camera and Microphone Array (HW-CAMERA-2) and Soundbars (HW-SOUNDBAR-4)
