

ConX Video Meeting Dialing Guide

ConX Video Meeting helps you make important visual connections with people on devices they already use. No scheduling necessary.

- Bring people together from SIP or H.323 end-points, web browsers (PC or Mac), Skype for Business, and audio-only phone
- Hold meetings with up to 50 participants in packages of 10 or 100 virtual meeting rooms
- Dialing in is fast and easy

How to Dial in to a Conx Video Meeting

• SIP-Based Dialing

Join a meeting from modern SIP-based video conferencing equipment, including InFocus Mondopad, ConX Phone, Polycom, Cisco, and many others:

1. Dial the conference's SIP URI address xxxxx@infocus.net
2. Enter a PIN if applicable

• Audio-only Dialing

Join a meeting with an audio telephone:

1. Dial the number below based on YOUR location
 - US: +1 (503) 343-9011 or +1 (503) 446-4097
 - Austria: +43 720 882 383
 - Canada: +1 647 849 0963
 - Czech Republic: +420 463 880 016
 - Denmark: +45 78 75 52 20
 - Finland: +358 341 089 564
 - France: +33 1 70 61 77 83
 - Germany: +49 892 206 1175
 - Hong Kong: +852 5808 8600
 - Italy: +39 0294 756 184
 - Netherlands: +31 20 2410590
 - Norway: +47 23 96 48 01
 - Poland: +48 22 307 14 80
 - Spain: + 34 933 938 997
 - Sweden: +46 8 4468 0373
 - Switzerland: +41 43 508 25 76
 - UK: +44 20 3151 2488
2. Enter meeting room number, followed by #
3. Enter security PIN, followed by #

• H.323-based Dialing

Join a meeting from H.323 video conferencing equipment, including Polycom, LifeSize, AVer, Sony, and others:

1. Dial the number below based on YOUR location
 - US: 67.212.233.236 ## <meeting room number>
 - EU: 95.211.188.141 ## <meeting room number>
 - Asia: 107.6.114.164 ## <meeting room number>
 2. Enter a PIN if applicable
- For Cisco H.323 endpoints, join by doing the following:
1. Dial the number below based on YOUR location
 - US: <meeting room number>@67.212.233.236
 - EU: <meeting room number>@95.211.188.141
 - Asia: <meeting room number>@107.6.114.164
 2. Enter a PIN if applicable

• 121 Video Dialer App

Join a meeting from your desktop:

1. Download the app from www.infocus.com/121desktop
2. Enter your name, meeting room number, and security PIN
3. Click on "Video & Presentation" to join

Alternative:

To just share or view data, click on "Presentation Only" instead.

• Browser-based Dialing

Join a meeting from your Chrome or Firefox browser:

1. Using Firefox or Chrome, go to <http://video.infocus.net>
2. Enter your name, meeting room number, and security PIN
3. Click on "JOIN"

• Skype for Business Dialing

Join a meeting using Skype for Business:

1. Enter the conference's SIP address xxxx@infocus.net in the "Find someone" search field*
2. Right click on the entry and select "Start a video call"
3. Once connected, click the Phone/Settings icon to display the 10-key pad
4. Enter the Guest PIN followed by #

*Make sure your Skype for Business domain is federated with infocus.net. Contact your system administrator for additional information.

Easy to Invite

INVITE someone to a ConX Video Meeting by sending them a web link with the Room Number and Security PIN in the link.

Example: <http://ConX.InFocus.net/8985:5898>

In this example (that you can try anytime), "8985" is the room and "5898" is the PIN

ConX Video Meeting Dialing Guide

Use the number keys on the dialing keypad of your device to perform these functions:

ON OFF FUNCTION

- *0 #0 Conference Highlight:** Display bright colored outline around current speaker.
- *1 #1 Lock Conference:** Prevent anyone new from joining a conference.
- *2 #2 Participant Tagging:** Show the Display ID of each participant in the bottom of each cell.
- *4 Cycle Conference Layout:** Change the number of cells/participants shown in your local video conference.
- *5 #5 Mute All:** Mute/un-mute the audio of all participants except yours. Participants can un-mute by pressing any key on dialing pad.
- *6 #6 Self-Mute:** Mute/un-mute your microphone only. Note that your phone/device may have its own independent muting functions.
- *7 #7 Include Self View:** Add/remove your local camera view to the combined video stream you receive.
- *8 #8 Data Video/Participant Video:** Switch between viewing shared data and people when shared data is available.
- *9 #9 Conference Video Broadcast Mode:** Make your video input the only image all participants see. Full audio functionality remains active for all participants.

PART NUMBER	DESCRIPTION
