

Phone Headset

InFocus

Collaboration That Works

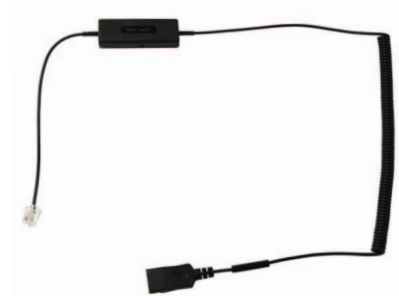

Noise-cancelling Headset and Intelligent Cord

Part #: HW-HEADSET-M

Communicate clearly and comfortably with the InFocus phone headset. Use this lightweight headset with the InFocus MVP100 video phone or with most other phone systems thanks to the included easy-to-use intelligent cord.

Be hands-free and multi-task while also maintaining more privacy compared to using the speakerphone. Plus, you'll get clear audio for you and your caller with the high-quality noise-cancelling microphone that filters out background noise.

- Superior sound provides you with crystal-clear conversation
- Noise-cancelling microphone for clear voice transmission and to filter out background noise
- 270° flexible boom arm; light weight with durable design
- Quick-disconnecting plug lets you walk away from the phone without removing the headset
- Cord has 8-position slide adjustment for easy set-up with various phone systems
- Links with standard RJ9 plug
