Video Connect to the World

Bring people together instantly from anywhere in the world to visually collaborate on the same content and do better work in less time. Use [ConX Cloud](#), the easy cloud-based video collaboration service from InFocus that works with any mobile device, PC, or Mac - as well as other SIP and H.323 endpoints - or add the video conferencing platform of your choice. Mondopad Ultra includes a complimentary 3-seat, 1-year subscription to ConX Cloud so that you can visually connect with anyone around the globe, on virtually any device, and transform the way your company communicates.

Brainstorm & Share Ideas Through the Cloud

Mondopad Ultra supports ConX Whiteboard, which enables you and co-workers in other locations to interact and share ideas on a Mondopad Ultra whiteboard, at the same time. Using your Mondopad Ultra and your ConX Cloud login credentials, join a ConX Whiteboard session and just start drawing. Everyone can see the same whiteboard screen, and each participant can draw or write in a different color, or insert text or images. ConX Whiteboard works in conjunction with ConX Cloud, or on its own with any other video conferencing solution.

Bring Your Own Device

Connect and share content securely from PCs, Macs, tablets or smartphones to make meetings more collaborative and productive. Cast your device's screen, then control the Mondopad screen with your device from anywhere in the room.

Connect Instantly to your Office 365 Account

Access your Office 365 account quickly and securely on any Mondopad Ultra.* Utilize the new Mondopad Ultra mobile app from your personal device to easily share information from your email and attachments, your calendar, documents stored on your OneDrive account, SharePoint, and more - so that you can start meetings and get to work faster.

*Available on Mondopad Ultra 3.0 software; check your Mondopad Ultra for software updates.

Capture Ideas on an Interactive Whiteboard

Brainstorm, capture, save, and share your ideas on an interactive whiteboard without borders or barriers. Use a complete collection of digital pens, shapes, lines, and colors to create and draw on a giant multi-screen canvas. Paste backgrounds and images onto a whiteboard, annotate on top, save, and email directly from the Mondopad.

View, Annotate, and Share

Never lose an idea - quickly and easily take notes on anything you're presenting and then save the changes. Mark-up documents, images, web pages, or videos - save your notes as an image - and email it directly from the Mondopad. Easily manage common or secure files through email, office network, USB drives, and cloud-based services like Dropbox.
