SHORT REACH MONITOR ARM

Comparable to the 3500 monitor mount, our 3545 short-reach radial monitor arm offers a compact, space-saving design. The mount features a fixed 45-degree forearm that provides additional vertical reach. Users are able to quickly fold the monitor mount back and out of the way when not in use.

Extension Range

FEATURES

- **Space-Saving:** Folds up to occupy 3" of space.
- **Responsive:** One-touch monitor adjustment.
- **Flexible:** Easily pivot the monitor from portrait to landscape.
- **Compatible:** VESA-monitor compatible - 100mm quick-release VESA adapter included.
