- 2nd tap – Brighter
- 3rd tap – Max. Brightness
- 4th tap – Turn off

**i SAFETY ADVICE**

- Parts of the lamp grow hot during use. Do not touch the light bulb or parts surrounded by the light bulb (for example glass or reflector) while in use.
- Never try to take off the LED bulb by yourself, the LED part is not replaceable.
- The external flexible cable (power supply) for this lamp cannot be replaced. If the cable is damaged, the lamp must be scrapped.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:  
(1) This device may not cause harmful interference, and  
(2) this device must accept any interference received, including interference that may cause undesired operation.
