

The TekCart GLC

Meet the **biggest** little
tech cart on the market.

The TekCart GLC

We're pleased to introduce the Intellerum TekCart GLC, a versatile charging cart for laptops & tablets that fits right into your classroom—and **your budget**.

The TekCart GLC provides more capacity in a smaller footprint than competitor carts, charging up to 32 devices at once*, all at a price tag that leaves plenty of room for the other items on your wish list.

TekCart GLC Features:

- Smaller footprint with exclusive fold-flat doors (27.5"W x 34.5"H x 20.75"D)
- Once dividers are in place the compartment size is 1.25"W x 11.2"H x 13.45"D (Will store any device that is smaller than these dimensions)
- Two 16-outlet UL-listed power strips to charge up to 32 devices
- Exclusive staggered power supply for easier charging
- More storage capacity and removable dividers than competitor carts
- Easy access to back of cart with removable back panel
- Made with durable powder-coated 20-gauge steel and security piano hinges
- Handle can be mounted on either side
- Secure locking doors and back panel to safeguard valuable devices
- Two full-swivel casters with lock for stationary use
- 8-foot detachable power cords included
- Cord wrap can be installed on either side
- Full lifetime warranty on the cart; 3-year electrical warranty

*Separate circuits (two cords) required to charge all devices at once. Charging is not synced.

PROUDLY
MADE IN THE USA

Intellerum - a division of Datum Storage Solutions
89 Church Road, PO Box 355 | Emigsville, PA 17318-0355
866-875-9594, ext. 3669 | sales@intellerum.com

To make a smarter cart, the team at Intellerum went back to school. We studied the way devices are used and stored by teachers in real classrooms and tweaked and tested our design until it made the grade. The result is **more utility in less space**.

When you need to make the most out of every dollar and every inch, you simply won't find a better, more versatile charging cart than TekCart GLC.
