

Designed to drill through metal, wood and masonry walls for installing computer, security, phone, and cable small wire systems, these drill bits eliminate the need to carry multiple drill bits with you, perfect for any installer. These drill bit also features the following:

- Aggressive tips drill through metal, wood, masonry, and other similar materials with ease
- Holes on the bit head and chuck allow for pulling of wires after drilling
- Black oxide coated shaft and powder coated blue for greater rigidity, durability, and rust resistance
