

The Jonard Tools WRC-14 Wire Rope & Cable Cutter is ideal for cutting soft and hard wire rope, spring wire, and copper/aluminum cable. This wire rope & cable cutter features the following:

- Made of chrome vanadium steel and heat-treated for maximum strength and durability
- Precision ground cutting blades for easier cutting
- Locking latch keeps the tool closed when not in use
- Volute spring for easy opening and closing of the tool
- Ergonomically designed cushioned grip handles provide greater leverage for easier cutting
