

The Jonard Tools WS-822 Wire Stripper and Cutter was designed with the technician and tradesman in mind. This wire stripping and cutting tool features the following:

- Rugged and precise design with die-cast body and durable coated finish
- Precision machined stripping holes ensure clean insulation removal without nicking conductors
- Stripping blades are made of high durability SK5 steel
- Easily strips 8-20 AWG solid wire and 8-22 AWG stranded wire, can remove up to 1" of insulation in a one-step operation
- Built-in cutting blades make it easy and convenient to cut and prep wire
- Gripping and stripping jaws grab, hold, and strip wire with one squeeze of the handle
- Ergonomically designed handle with dual component thermoplastic rubber (TPR) grips
