

KL546-S

# Indoor Digital Signage/Kiosk Enclosure – Landscape

Fits most 46" Ultra-thin LCD Displays

Make a statement with Peerless-AV's sleek digital signage kiosk enclosure. Designed to best support 46" ultra-thin LCD displays, this kiosk enclosure is sure to make an impact with its audience. Whether it's advertising, a digital directory, or wayfinding, this solution is an ideal fit for a corporate campus, college/university campus, hospital, retail store, shopping mall and more.

## FEATURES

- Designed for 46" ultra-thin LCD displays to accentuate slim design and large screen real estate (Samsung ME46A, NEC X461S and others)
- Supports a wide range of aesthetic options including multiple colors, acrylic trim, vinyl wraps, etc. to best match the environment's look and feel or promote a brand strategy
- Hinged top frame offers easy access to the display and other internal components for easy maintenance and enhanced security
- Keyed rear door offers convenient access to a media player for easy maintenance
- Eight points of tool-less adjustment quickly positions the display in the kiosk window for flush alignment
- Minimal assembly is required for a simplified installation
- Base can be free standing or bolted to the floor to increase security
- Other options include cooling fans, speakers, beveled top frame to best meet client needs

Display size: up to 46"

Max load: 75lb (34kg)
