

Carrier 30 Cart™

Charge, store,
secure and
transport up to
30 devices

Efficient charging. The Carrier 30 Cart is capable of charging up to 30 mobile devices simultaneously.

Compatible.¹ The new Carry Baskets are designed to accommodate almost any device - with or without covers.

Lock it down! After a day of use, lock the sliding top lids and attach the heavy duty anchor kit for securing the Cart whilst it's not in use.

Portable. Equipped with six removable 5 slot Carry Baskets, making mobile device deployments easier.

Lifetime warranty. LocknCharge products are built to last the distance.²

Style meets functionality. The Carrier 30 Cart features a sliding top lid so that devices can be accessed quicker, easier and by more users at once.

It just makes life easier.

Safe, efficient and a future proofed power management system for charging 30 devices at once. How? ECO Safe Charge™ can handle the power requirements of almost any device by staging the availability of power to each bank of devices.

Improved cable management.

The Carrier 30 Cart features a new center channel system which holds all the cables in place... making it neater and easier to set up.

Baskets by LocknCharge. The 5-slot Carry Baskets gives users the flexibility to deploy Chromebook®, Tablet or iPad® devices with ease. The new and improved Baskets by LocknCharge are lighter, easier to grip, and can fit a wider range of devices.¹

Are your devices too big for the Baskets? The Carrier 30 Cart features a three level adjusting storage shelf. This allows users to insert the optional device storage racks into Cart's storage area (which replaces the Baskets by LocknCharge). The storage racks are designed to accommodate larger devices. Contact us for more details.

Modular syncing (optional accessory). Think you may need syncing functionality in the future? Don't buy a new Cart... iQ 16 Sync Charge Box upgrade kits available. Contact us for more details.

Secure soft closing, sliding lid stores up to 30 Chromebook, Tablet or iPad devices and the baskets that they are stored in.

Highly Secure. Two-point locking system to lock away the devices in the storage area, whilst the anchor kit locks down the whole Cart.
