

# 24BP750C-B

24" Class FHD IPS Monitor with Built-in Full HD Webcam

- 23.8-inch Full HD IPS Display
- Built-in Full HD Webcam & Mic
- USB Type-C™
- Reader Mode
- Flicker Safe Mode
- LG OnScreen Control
- Tilt, Height, Swivel and Bi-directional Pivot

The IPS technology of this innovative 23.8" Full HD display highlights the performance of liquid crystal displays. Response times are shortened, color reproduction is improved and you can view the screen at virtually any angle.

## Workplace Versatility

Whether you need to work in portrait or landscape mode, this monitor has you covered. This workplace workhorse supports tilt, swivel, pivot and height adjustment options for comfort and productivity at work. These options can make it easier to share content with team members and be more productive.

## Built-in Webcam & Microphone

Featuring a pop-up style built-in Full HD with integrated microphone, hosting and participating in video conferences is easy. For security, the camera folds back down when not in use.

## High Definition with True Color

IPS technology highlights the performance of liquid crystal displays. Response times are shortened, color reproduction is improved, and viewers can see the screen perfectly from virtually any angle.

## USB Type-C™

This USB Type-C™ port on this monitor allows simultaneous data transfer and device charging (up to 65W) with a single cable.
