

Charging Carts

Tablet / Chromebook

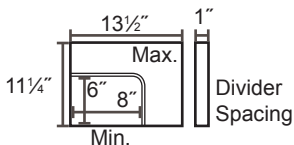

LLTM30-B-RFID

26" W x 20 1/4" D x 36 3/4" H

Weight: 88 lbs.

Min/Max Tablet / Chromebook:

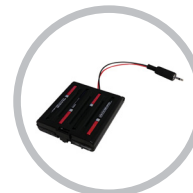

Easy access RFID card reader lock.

- The tablet charging shelves are 18 1/2" W x 11 3/4" D
- Each shelf holds up to 15 tablets
- The padded shelves and rubber-coated dividers keep your tablets organized and protected
- Each divider is 1" apart
- Works with many different 125 KHz RFID inputs
- Includes two 10' long 16-Outlet vertical electrical strips
- The locking doors includes an easy to use high tech RFID locking system.
- Just swipe the card over the sensor to unlock. Four AA Batteries (not included) are required for each door to operate
- The lock features a low battery flash when you have less than 25 open cycles left. Two pre-programmed RFID cards are included, with the ability to program up to 30 cards if needed.

Accessory: Extra RFID Cards (30)
Available for purchase separately.

Accessory: Battery Pack
Available for purchase separately.
The battery pack allows you to power the unit from the outside to replace batteries on a locked unit. Batteries not included.
