**All in one solution.** Store, charge and secure up to 10 Chromebook, Netbook or Tablet devices.

**Charge 10 Chromebook, Laptop or Tablet devices** at the same time.

**Lifetime warranty.** LocknCharge products are built to last the distance.<sup>1</sup>

**Secure!** After a day of use, lock your devices inside the wall mounted Wall Cage.

**Overload Protection** on all power points to protect your devices during charging.

**Felt lined slots** for protecting your Chromebook, Netbook and Tablet devices.

**Open design** for easy visual checks and preventing Chromebooks, Laptops or Tablets from overheating.

**Vertical orientation** designed for easy access to your devices.

# It just makes life easier.

**Protect your devices.** The power boards fitted on the Revolution Wall Cage includes overload protection. This means that your devices are protected from any unexpected power failures or surges.

**Compatible with Chromebook, Netbook and Tablet devices.**

The devices are stored in a vertical position making retrieving and returning of the devices quick and easy.

**Open design.** The LocknCharge Revolution Wall Cage features an open design to enable passive ventilation for devices that need it. It also means that the teacher or IT administrator can quickly check and make sure that all the devices have been returned after use.

**All in one solution.** Transform any space into the 21st century. LocknCharge Wall Cages can store, charge and secure Chromebook, Netbook and Tablet devices.

**Specifications:**

inches: 15(H) x 22.7(W) x 15.1(L)
