

### Hand Held Resistance Thermometer with LEMO Connector

- Type : Mineral insulated, vibration proof
- Protection tube : Length: 250 mm  
Diam: ¼", 6.35 mm OD  
Material: Inconel 600
- Handle : Mounted with a sturdy plastic handle (max. 110°C)
- Resistance type : Pt100 IEC 751 (Pt 385 curve)
- Basic tolerance : Class A,  $\pm (0.15^{\circ}\text{C} + 0.002 \times t_{\text{actual}})^{\circ}\text{C}$
- Temperature range : -50 to +400°C
- Cable : Curly PVC insulated cable, 4 wire, length 60 to 300 cm  
with LEMO type FFA 1S 304 CLAC 52 Z connector
