

16-Device Portable USB Charger for any USB devices - Portable

- **Charges 16 USB Devices** – tablets, smartphones, POS, Kindle, Android, Surface or any other USB chargeable equipment
- **Portable Charging** that can go anywhere due to the compact and light weight design
- **Efficient and Intelligent** as it auto-detects the exact make and model of the device and charges at the optimum rate, 2.1amps maximum per port
- **Safe and Reliable** with electrostatic discharge (ESD), over-voltage, over-current and over-temperature protection
- **Equivalent to 16 x 12W Chargers** saving you space and power consumption, replacing extension cables and power sockets with one cable into the wall
- **Never Over Charges** as it detects when the device battery is full providing trickle charge
- **Support for Life** with Lifetime Warranty (5 years electrical), ships fully assembled

1.

About LapCabby

LapCabby has been developing innovative products that our customers love for the last 20 years.

We make portable storage carts and charging solutions for laptops, tablets, e-readers, Chromebooks and netbooks.

It's the smart way to keep tech safe, charged, and in one secure place.

We've included some really ingenious features to ensure our products do everything you need them to - and a little more besides.

Our carts are used everywhere, from Education, Health Sector, Local and State Government and Corporate, so whatever you are, our products are sure to make a difference.
