

12-Device Desktop USB Charge & Sync Cabinet for any USB devices up to 12" - Vertical

- **Charges 12 USB Devices** such as tablets, smartphones, POS, Kindle, Android, Surface or any other USB chargeable equipment
- **Simultaneously Charge & Synchronize** with a managed USB hub that delivers high-speed charging and syncing saving time when deploying apps, media and content
- **Device & Cable Protection** with a lockable retractable door and a cable management design that prevents cables from being stolen or damaged
- **Efficient and Intelligent** as it auto-detects the exact make and model of the device and delivers high-speed charge at the optimum rate, 2.1amps maximum per port
- **Never Over Charges** as it detects when the device battery is full providing trickle charge
- **Charging Indicator Lights** let you know whether a device is charging, syncing or charged and ready to use
- **Support for Life** with Lifetime Warranty (5 years electrical), ships fully assembled

1. Side inset handles allow the unit to be moved into place safely

6. Retractable front door allows full access to devices and remains open when required without the door getting in the way

2. Devices sit in roomy vertical compartments with high-density acrylic dividers

7. Simultaneously synchronise devices using MDM software such as Apple Configurator, iTunes and others, saving time when deploying apps, setting up

3. Individual LED lights indicate red when charging and green when the device battery is fully charged, reflecting through the perforated front door so you can tell the status of each device without unlocking

8. Intelligent charging recognizes the make and model of each device

4. IEC socket with 1.8m / 6 ft power cord designed to snap out if pulled away from the wall to prevent damage

9. USB ports are located in the rear lockable compartment, preventing cables being removed from the front device compartment

5. Daisy-chain and stack three DeskCabby units together to charge 36 USB devices from a single IEC power cord

10. DeskCabby can remain locked and secured during charging with the perforated doors and internal fan to keep devices cool

	Code	Number of devices can hold	Unit Dimensions	Device Compartment Size
DeskCabby Charge & Sync	DESKCAB12/USA	12	W495 x D400 x H330 mm 19.5" x 15.7" x 13"	W220 x D300 x T30 mm 8.7" x 11.8" x 1.2"

About LapCabby

LapCabby has been developing innovative products that our customers love for the last 20 years.

We make portable storage carts and charging solutions for laptops, tablets, e-readers, Chromebooks and netbooks.

It's the smart way to keep tech safe, charged, and in one secure place.

We've included some really ingenious features to ensure our products do everything you need them to - and a little more besides.

Our carts are used everywhere, from Education, Health Sector, Local and State Government and Corporate, so whatever you are, our products are sure to make a difference.
