

### 16-Device Wall or Desk Mounted USB Charging Cabinet for smartphones, mobile phones and other handheld USB devices up to 7" - Horizontal

- **Charges 16 Devices** up to 7" screen size – smartphones, mobile phones and handheld USB devices (including protective cases)
- **Wall or Desk Mounted Design** for versatility, simplicity and practicality
- **Efficient and Intelligent** as it auto-detects the exact make and model of the device and delivers high-speed charge at the optimum rate
- **Never Over Charges** as it detects when the device battery is full providing trickle charge
- **Equivalent to 16 x 12W Chargers** saving you space and power consumption, replacing extension cables and power sockets with one cable into the wall
- **Maximum Security & Safety** with lock that includes a 7-pin activation system and separate lockable power compartment
- **Support for Life** with Lifetime Warranty (5 years electrical), ships fully assembled

1. Devices sit horizontally within individual compartments to enable the devices to be picked up and returned easily.

2. Auto-detects attached devices individually and automatically adjust the current output to the highest level permitted by the device manufacturer and USB specifications.

3. Inset door handles prevent protruding parts eliminating breakages.

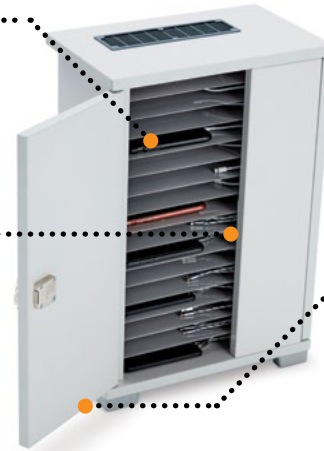

4. Key locking system front and rear, tested by an independent locksmith, includes 7-pin activation and double-sided key with two sets of teeth, making the lock more durable, impossible to pick and substantially increasing security.

5. IEC socket/inlet with 1.8m/6 ft power cord designed to snap out if pulled away from the wall to prevent damage.

6. Weight bearing non-marking feet are fitted to the base of the unit to ensure air circulation and easy cleaning.

7. Ships fully assembled and a wall fixing kit supplied.

8. Individual velcro clips secure cables in place, organised and free from damage. Cables feed from side power compartment to front device compartment via cable portholes.

11. Door opens 270 degrees to allow full, unrestricted access to devices.

10. Built to commercial grade furniture standards, passing tests for durability, stability and weight bearing loads for high impact usage.

9. Silent ventilation system includes side and rear vents to keep devices cool with constant air circulation without the need for a noisy fan that can also spread germs.

## About LapCabby

LapCabby has been developing innovative products that our customers love for the last 20 years.

We make portable storage carts and charging solutions for laptops, tablets, e-readers, Chromebooks and netbooks.

It's the smart way to keep your tech safe, charged, and in one secure place.

We've included some really ingenious features to ensure our products do everything you need them to – and a little more besides.

Our carts are used everywhere, from Education, Health Sector, Local and State Government and Corporate, so wherever you are our products are sure to make a difference.
