Joey 10 Charging Station™

Efficient Charging. Simultaneously charge almost any device with our divider storage system. LocknCharge cable management allows you to wire your Joey in minutes as well as plug in devices quickly after each use.

Secure. Protect your device investment without worry. The Joey Line is made with high-quality steel and includes a padlock to assure that devices are secured when not in use.

Joey 30 Cart™

Shared Use. Our lightweight carts on wheels enable devices to be quickly and safely shared by multiple students and classrooms with ease. Baskets by LocknCharge may be purchased separately for additional mobility.

Affordable. Enjoy LocknCharge's education-focused Charging Station and Cart designs at a more entry-level price.

Joey 40 Cart™

Designed with Space in Mind. The space-saving Joey 10 easily mounts to a wall or desk. Joey Cart lids open vertically, leaving a smaller footprint in tight spaces.

Top Loading Cart Design. Access devices by multiple users at once. Loading from the top means no more bending down to access devices on a bottom shelf.

lockncharge®

It just makes life easier.

Eliminate Time-Consuming Wiring. Cabinet style carts can take 2-3 times longer to wire compared to our top-loading Joey Carts.

- 1 The unique side channel system holds cables in place making it easy to plug in devices.
- 2 A separate compartment houses the charging bricks to keep the device storage area neat.
