

60" Electric Standing Desk

Luxor is proud to introduce the new Electric Standing Desk—a sturdy desk that not only delivers the health benefits of standing, but makes adjusting its height up or down as simple as clicking a button. The Electric Standing Desk is a mobile solution for improving employee health and wellness while creating a collaborative atmosphere.

Specs:

- Height adjusts between 45.25" and 29.5"
- Generous 59" x 29.5" surface area
- Sturdy steel frame with powder coat painted finish
- Easy to roll and maneuver with wheels and two locking brakes
- All tools required for assembly are included
