

ADJUSTABLE HEIGHT TV STAND

Effortlessly roll your TV between offices, trade shows, and classrooms with Luxor's Height Adjustable Rolling TV Stand. The black steel mount holds up to a 70" TV and adapts to various viewing environments with its height range of 40"–60". Once in place, four locking casters safely provide a sturdy and stationary display. Allow yourself the freedom of movement with this slender and durable TV stand.

FP1000
