

## ELECTRIC LEVEL UP CORNER PRO – STANDING DESK CONVERTER (BLACK) LVLUP EPRO CNR

Now there's an electric standing desk converter that's designed especially for those who work in cubicle environments! The Electric Level Up Corner Pro from Luxor instantly transforms a modular desk configuration into a standing desk, creating a flexible workspace without having to replace or modify the existing desk.

Equipped with an electric motor that easily adjusts the desk's height at the touch of a button, this standing desk converter smoothly raises from 5.3" to 19.2" in mere seconds while the sturdy steel frame remains stable even at its maximum height. The two-tiered design with its generous 35.4" work surface easily accommodates dual monitors while the lower shelf can hold a keyboard and mouse.

Designed to save space by lifting vertically, the Electric Level Up Corner Pro's small footprint fits perfectly into corner spaces and requires zero assembly. Simply open the box and plug it in to begin enjoying the health benefits of standing at an affordable price.

### Dimensions:

- Overall: 35.4" W x 25" D x 5.3" – 19.2" H (top shelf)
- Top Shelf: 35.4" W x 15.6" D
- Lower Shelf: 35.4" W x 9.45" D
- 10' power cord

### Features:

- Electric motor with push-button controls quickly and quietly raises the desk from sitting to standing position
- Effortlessly adjusts to any height between 5.3" to 19.2" (top shelf) in seconds
- Generous 35.4" wide desktop with corner configuration maximizes cubicle spaces
- Two-tiered desktop easily holds 44 lbs. and lifts monitors and laptops weighing up to 29 lbs.
- Durable steel base and frame provides stability even at its maximum height of 19.2"
- Three cable pass-through holes keep cords organized and out of sight
- Chamfered edges keep forearms comfortable while typing and working
- Saves space by lifting vertically within its own footprint
- Arrives assembled
- Meets ANSI/BIFMA standards
