

IM#: 11-0002998 | media:scape mobile in Artic White.

COLLABORATION. TRANSPORTED.

media:scape® mobile is a new addition to the media:scape family, transporting the media:scape experience anywhere in an organization. Bring media:scape to a diverse range of settings, wherever collaboration may occur.

78%

of organizations struggle to effectively connect their workplaces, and help people collaborate virtually and face-to-face.

IBM 2010 HR Study

media:scape mobile

- Easily transport the media:scape experience anywhere four wheels will allow.
- Optimized for small teams of 2-4 to collaborate without interruption, media:scape mobile is always available. No cables to pass, remotes to lose, or software to install.
- With the 4 PUCKs in the media well, everyone at the table has equal access to share critical information.
- Height adjustability support various working postures and settings.
- Distributed teams can be connected easily by integrating with HD videoconferencing.
- Plug media:scape mobile into a standard 3 prong outlet to bring power to the monitor and the 4 power outlets inside the media well.
