

MG900/2X

Equipped with next generation, surface mount LEDs, these innovative designs create the new standard for illuminated magnifiers.

Lighting Features

- · 4x the lumen output of a standard magnifier
- · Reduced glare, heat and energy consumption
- Multi-angle LEDs for shadowless lighting at a full range of focal lengths and heights
- User controlled LED groups shine desired level of light exactly where required
- Superb dimming software via convenient, reliable membrane switch
- · Built in energy management system & lighting timer

Optical Features

- · Precision ground, crown white optical grade glass
- · Largest lenses in the industry
- Standard 4 Diopter (2x) lens
