

Designed to terminate 4 pairs of wires simultaneously, this punchdown tool is perfect for terminating multiple wires on 110-terminal blocks quickly and easily. This punchdown tool features the following:

- Terminates and cuts 4 pairs of VDV cables on 110-style blocks in a single punch
- Delivers more force than normal punchdown tools to terminate multiple cables at once
- Terminates 28-22 AWG solid or stranded wire with single insulation in a single punch, including 23 AWG CAT6A cable
- Can be used for more than 30,000 punches before needing to replace the head
- Lifetime Warranty
