

Modular Video Wall Stand Series

Model: **MVWS-2X2-4655,**
MVWS-3X3-46, MVWS-3X3-55

Screen Sizes: 46 & 55 in. Weight Capacity: up to 900 lb / 409.1 kg.

Features

- 1** The modular design allows for additional display sections to increase array size
- 2** Includes unique adjustment bolts to assure stand remains level
- 3** Completely breaks down for easier shipping, handling, and setup
 - Patent pending, top-adjustable display mounting brackets ensure display alignment along the x, y and z axis
 - Displays can be flown from above with quick removal of the feet
 - Rapid setup using 1/2-13 bolts

This modular video wall stand is designed for specific 46 in. and/or 55 in. thin bezel flat panels, and is available in configurations of 2x2 or 3x3 video walls. The mounting system completely breaks down to make shipping, handling, and moving much easier, and can be flown from above with quick removal of the feet. Fine-tune alignment of each display is provided by patent pending top adjustable mounting brackets.
