*T*he Media Manager is simply the standard from which the lectern industry is based. Two locking slide-out drawers and flip-up shelf are standard features that come fully assembled. Grommets are strategically placed throughout the Media Manager for well-organized cord management. Removable doors allow easy equipment installation and access. Instructors and integrators alike will appreciate the state-of-the-art design.

High-quality materials and construction further set apart the Media Manager. A special NAUF particleboard is used as a healthy alternative to formaldehyde-rich pressed cores. Raw material manufacture and assembly methods are controlled by ISO 9001:2008 standards, making the Media Manager the most reliable lectern available.

Media Manager Lectern V2

55237 IDHDS
(right hand drawer)

55236 CHBTK
(left hand drawer)

55236 IDHDS
(left hand drawer)

Advantages:

▲ **Media Manager Lectern has up to 11 rack units standard, 22 with optional rack rail**
▲ Double-bolt, keyed locking front and rear door provides security and easy access to the front and rear of the unit
▲ Pull-out double-bolt locking drawer provides security and quick access to a document camera. (Lectern can be ordered with drawer on left or right side)
▲ Available in right or left hand drawer versions
▲ Quick-release door hinges allow doors to be removed for full access to equipment
▲ 15' Retractable 15-amp power cord reel provides quick and easy power access
▲ Flip-up document camera/task shelf with cord grommet provides more worksurface
▲ Full-width, pull-out locking laptop storage drawer/keyboard tray provides easy access and secure storage with a flip-down wrist pad that provides keyboarding comfort
▲ Removable acrylic viewing/access panel on the front door provides easy access
▲ 4" swivel locking Heavy Duty (HD) casters, and Toe Kick (TK) versions available
▲ Ventilated side panels keep equipment cool
▲ Scratch and impact resistant $1^{1}/_{16}$" high-pressure laminate worksurface
▲ Cable grommets are strategically placed throughout for effective cord management
▲ Storage space for an internal CPU, left or right-mountable rack rail
▲ Rack rails can be mounted in an inner or outer position
▲ Pre-drilled left and right monitor arm mounting holes with caps
▲ Quick-change logo panel makes it easy to personalize your lectern and access cables
▲ Spectrum products are backed with a 10-year limited warranty to be free of all defects in materials and workmanship. For full warranty and exceptions, see warranty statement under "Terms and Conditions" on page 156
