

Features:

- Clear 1 oz glass bottle with PFA stem for the toughest liquid dispensing applications – use with highly corrosive fluids, virtually all industrial solvents, and most chemicals
- Clear glass bottle allows storage of fluids not compatible with plastic and allows for easy viewing of contents
- PFA Stem has superior chemical resistivity – chemically inert; resistant to acids, bases, and most common solvents.
- One handed operation is perfect for cleaning with swabs and brushes

Pure-Touch Pump:

- Purity protector stops fluid from reentering the bottle
- One-handed operation frees operator's hands
- Precision machined valves for a smooth consistent operation
- Cam-lock hinge keeps lid open and closed, reduces odors
- No silicone or latex - perfect for ultra clean environments
- Compatible with any 38-400 threaded neck container
- Dispenses approximately 0.2cc of liquid with each pump
