

Be safe & be seen.

Keep customers & employees safe.

The Social Distancing Shield can be added to Super Erecta® or Super Adjustable Super Erecta® posts on 30"-36" length units. Easily snap the shield onto any cart or shelving unit to create a safe working environment for employees and customers alike! Perfect for attaching to prep units in the back-of-house, or adding to customer facing stations.

Social Distancing Shield

Be safe & be seen.

The Social Distancing Shield can be added to any 30"-36" Super Erecta® or Super Adjustable Super Erecta® cart to create safe working environments.

CRDD9971-2436 includes a clear shield with post attachment clips already installed.

CRDD9972 is a Post Extension Hardware Kit that includes two double threaded studs and two post inserts which can be added to standard Metro posts. To create taller posts on an existing shelf or cart, simply order this retrofit kit plus two stationary posts*.

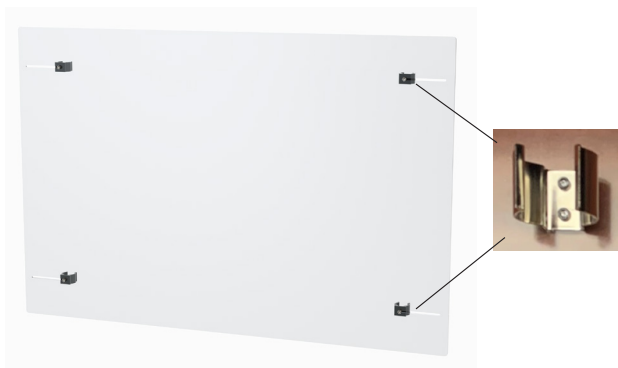

*Total post length not to exceed 74"
